Obituary

Shirley was born on November 3, 1944 at San Rafael General Hospital, in San Rafael California to the proud parents, Richard Louis Fowler and Susie Mae Kincade Fowler. She was the first born of 6 children to that union.

Shirley attended grammar school in Sausalito, California and High School in Mill Valley, California where she graduated in 1963. After High School Shirley enrolled at Heald Business College in San Francisco where she specialized in the field of Data Processing. Shirley was very successful in that career. We were proud to see our big sister type so fast. She went on to the College of Marin where she continued her Business Career. Shirley was employed by E. D Bullard in Sausalito, California for 10 years managing the different departments in Data Processing. She worked for Phoenix Financial Service in San Rafael where she held the position of Manager of Leasing. Shirley's last position was with Ponderosa Estates Community where she advanced to the position of Service Coordinator.

At the age of 29, Shirley met Adam Thompson in Marin County, California. After dating a while, Shirley accepted her sweetheart's proposal of marriage. Along with her husband Shirley gained a daughter, Thea Thompson. Later on, they decided to adopt a son Michael Adam. to complete their family.

Shirley devoted her life and services to the Lord when she became a member of St. John in May, 2004. While at St. John she worked diligently with the following ministries, Children Ministry, where she taught in the Vacation Bible School and the very young children in the Nursery. Shirley also enjoyed singing with the Voice of St. John and attending Sunday School.

One of Shirley's favorite times of the year was Thanksgiving. She loved to visit her sister Janet in Sacramento, where they would shop until they dropped on Black Friday deals. Shirley hobby was bowling. She enjoyed traveling to the different cities with friends to participate in bowling tournaments, her average was 150.

When our mother passed away in 1991. Our sister Gwen came up with the idea of entertaining at each other's homes for dinner every three months. This is an event that continues to this day. Shirley always loved getting together with family. On June 24th Shirley hosted the last dinner in her home where all six of us were present. The Fowlers will always continue this tradition.

Shirley was an active supporter of the Hanna Project in Marin City Under the leadership of Bettie Hodges. This program worked to assist underserved children to achieve academic improvement.

Shirley leaves to cherish her memory, her son Michael Adam Thompson (Chrystal Thompson) of Mississippi, daughter, Thea Thompson of Vallejo California, four sisters, Gwendolyn Christine Fuller of San Ramon California, Jacqueline Dedrick (Carl Dedrick) of Marin City California, Linda Sue Harvey (John Williams) of Antioch, California, Janet Arlene Fowler of Sacramento California, and two brothers Michael Patrick Fowler of Larkspur, California and Dave Morgan Jr. of San Leandro, CA; and also Adam Thompson, 12 Grandchildren: Blake, Syllis, Skylla, Sienna, Romeo, Rajon, Comrade, Mikah, Kayleb, Mikaela, Dominic, Michael, a host of nieces, nephews and other family members, and friends.
